Objective

Passionate about Data Science, I bring a deep love for technology and a keen eagerness to explore and master new advancements, fostering innovation and continuous learning.

Academic

PGDM (Artificial Intelligence and Data Science)

Ashoka School of Business, Aug 2023 - 2025 (Expected Graduation)

BSc in IoT

Kakaraparthi Bhavanarayana College, Jul 2019 - Jun 2022

Grade: 6.05

Internship

- Internet of Things (IoT) (Pantech eLearning Solutions Pvt Ltd, Oct 2021)
 - Successfully completed a 30-day online internship program.
 - Gained hands-on experience in:
 - * Arduino programming and sensor interfacing
 - * Data monitoring and real-time applications
 - * Cloud integration (Azure)

Certification

- **Ethical Hacking** (Internshala Trainings, Jan 2023)
 - Successfully completed an 8-week online training program.
 - Covered topics include Basics of Information Security, Computer Networking, Web

Development, Web Application Vulnerability Assessment and Penetration Testing (VA PT), OWASP Top 10 vulnerabilities, SQL Injections, Client-Side Attacks, and more.

– Certificate Number: 811d2gqinbg

- **Cyber Security**(ACMEGRADE, IIT Bombay, Aug 2022)

– Successfully completed a program in Cyber Security with a focus on OWASP Top 10. Gained knowledge and skills in identifying and mitigating vulnerabilities based on OWASP Top 10.

– Certificate Number: AGC22070940

Technical Expertise

- Web Development:
 - Front-End: Intermediate in HTML, AngularJS, and JavaScript (Building interactive web pages).
 - Back-End: Solid understanding of Python, R, and SQL (Data manipulation and analysis).
- Data Science:
 - Machine Learning (Intermediate - Exploring various algorithms and libraries)
- Cloud Computing (Hands-on experience on PaaS)
- Internet of Things (Understanding of core concepts and protocols)
- Software Proficiency: MS Office Suite (Excel, Word, PowerPoint)
- CTF Competitions: Participated in CTF challenges on platforms like Hack The Box and TryHackMe, focusing on improving penetration testing and web security skills.

Hobbies

Reading Books, Swimming, Photography

Declaration

I declare that the information provided above is accurate and complete to the best of my knowledge.
